*Of the tree which is in the midst of paradise, thou shalt not eat;
in what day so ever thou shalt eat of it, thou shalt die the death.*

“I THIRST”

The people who really love God know the truth of God. God is Truth. The truth of God is not made known to people in the learned words of philosophy or of theology. It is not made known to them by the force of argument or proof. It is not made known to them by the battles of debate. It is not made known to them by learned reflections.

The truth of God is made known to all those who really love God by the Word of God spoken to them in the quiet silence of their souls. It is made known to them in the humility of their minds.
