*O Lord, uphold us and
our absent brethren.*

The Quality of Love

Love is not only reparation, it is also purification.

*Love is a light which reveals to the soul of a true child of God
the slightest defects which lessen its beauty.*

*Love is a force which gives the soul the necessary energy
to eradicate its defects and imperfections by the very root.*

No force is greater than the force of our love for God and His love for us.

Love is stronger than death.

They that in the early morning watch for God shall find Him.

*They that are faithful in their love for God shall rest in Him,
for grace and peace are given to His elect.*

He that loves God shall be heard in his prayer.

The eyes of the Lord are upon them that love Him.

Many sins are forgiven those who love much.

*The Lord keeps all them that love Him,
but all the wicked He will destroy.*

The Lord Jesus Christ loves them that Love Him.

*Love is a fire which burns and consumes the evil and harmful weeds
which are always sprouting up within us.*
