

There is no one who can stand before the Infinite and Good God and claim to be anything at all. Not one of us, on his or her own merits and self developed abilities has even the right to speak to Him. And until we fully realize first-heart our own complete nothingness we are really walling ourselves off from God with pride. God cannot help us as long as we believe we can help ourselves. But if we but admit to Him **AND TO OURSELVES** that alone and without Him we can do absolutely nothing, He will come and lift us up beside Him. We do not here speak of “Words, Words, Words”. We speak only and before all of SOLID INTERIOR CONVICTION! It is as simple as that and as difficult for pride to do! And until our resolutions, even the best of them and the most ardent of them are completely and without question replaced by firm and determined ACTION all is done for nothing!

Let us hope that this ceremony will be an occasion of Grace for all of us. Every one of us must approach this ceremony with the seriousness it deserves. Let us sincerely work to understand the meaning of the Kingship of Christ! Let us earnestly strive to BELIEVE in the Kingship of Christ.

Let us put the question to ourselves: Is Christ, in fact, KING in our hearts?

And as King do we render to His Kingship all that due a king — the Divine KING?

A Thought To Remember...

We cannot desire to be poor in spirit and then sit and hope it will happen!
 We cannot desire to be virtuous and then hope and wait for it to happen
