Weekly Bulletin #114

The mysteries of Christ's life are something more than mere historical events. If we consider these mysteries exclusively in their historical aspect, the life of Our Lord, as related to us by the Evangelists, will be to us much the same as would be the meagre record of the acts and words of any great and good man, whose fate excites our pity and whose heroism stirs our admiration. It would be that and nothing more. But the incidents narrated by the Evangelists are something more than the lifeless facts of history. They have a life-giving potency that does not and cannot belong to the ordinary living incidents committed to the pages of human records. Far from being "dead" facts they are a perpetually energising force in the world. They are, as it were, a typical and dramatic representation of the experiences that the christian soul must go through in the process of becoming saintly. THE LIFE OF CHRIST MUST NOT BE SOLELY AN EXTERNAL OBJECTIVE EVENT WHICH WE CONTEMPLATE BECAUSE WE ENJOY THE THOUGHTS, BUT AN INTERNAL EXPERIENCE WHICH WE UNDERGO. The phases of that life are to be reproduced in our personal experiences if we are to be faithful to our christian vocation - that is, if we are to correspond to God's designs in our regard and follow the spiritual path that He has traced out for us.

1. Next Sunday, April 30, 1989 - - GROUND BREAKING DAY FOR CHRIST THE KING MONASTERY. Important as this event is, it is a very simple event, and it is not being suggested that anyone should make an inconvenient effort to be present. The event is a matter of history more than anything else. It shall, weather permitting take place after the 12:30 P.M. Mass. THE VERY SPECIAL PRAYERS OF ALL ARE SINCERELY REQUESTED FOR THE SUCCESS OF THIS PROJECT.
2. Saturday, April 29, is the Feast of St. Peter of Verona - (St. Peter the Hermit). Blessing Number 2 shall be given to the PALM CROSSES which we first blessed on Palm Sunday.
3. Tuesday, April 25th. is the Feast of St. Mark and is also the Major Rogation of the year. Rogation Days are days of special prayer and penance. Usually the Litany of the Saints and all of its prayers is said on this day, as we pray for a successful crop year.
4. Back from the TRIDENTINE RITE CONFERENCE in Phoenix - - some things about the meeting were good and encouraging, while others were somewhat disappointing. We must pray that we shall all have the courage to continue as best we can. The construction of the monastery should have a good effect throughout. The people from all over the country are looking toward the Monastery of Christ the King as a source of strength and unity.
