

ever more mercy and forgiveness! In spite of Man's infidelity, God wants Man to be happy. How often does Jesus speak to those who have lost belief in LOVE? In return, Our Lord asks only that He hears Man say: "I love you!"

Like thunder, the Voice of God continues to be sounded but is heard only by those whose ears are attuned to the sound of Pure Love, and who keep in mind that true human society must be founded on Charity. Mere justice, divorced from Charity, will never solve the huge social, economic, political, and *RELIGIOUS* problems that face us all today. Mere authority destitute of responsibility is TYRANNY.

However, there is a solution to all of our worries and fears. It is the only solution, but unless we learn how to travel on our knees in PRAYER to the God of all Power and Might, the days of our future will not be good days. *Those who govern without scruple will see to that!* The solution requires the greatest strength and stamina never before shown by Man: unquestionable Faith in Charity and undaunted Hope in Prayer.
