Weekly Bulletin # 121

The Mass is the same sacrifice as the Sacrifice of the Cross, because in the Mass the Victim is the same, and the principal Priest is the same: Jesus Christ. The MASS is the very same Sacrifice which was offered up at the Last Supper, and consummated on Calvary; it is the living RENEWAL of the Sacrifice on the Cross. The Mass is no mere remembrance or memorial of Calvary; it ACTUALLY renews, in the separate consecration of the bread and wine, the death of the Lord, the separation of His Body and Blood. The principal priest in every Mass is Jesus Christ, Who offers to His heavenly Father, through the ministry of His ordained priest, His Body and Blood which were sacrificed on the Cross. The priest saying the Mass is only Christ's minister and representative. He utters the words of consecration in the name and person of Christ. The Mass is the chief and central act of Catholic worship, the greatest act of worship that can be offered to God, for in the Mass - GOD IS OFFERED TO GOD -! The Mass is an infinite ocean of graces for the living and the dead. Our love for the Mass must be the very foundation stone of our sense of being a Catholic. In Latin this is called: SENSUS CATHOLICUS. If ever we lose this sensus Catholicus, we no longer have the breath of Catholicism in us, and can no longer be properly called Catholic. The proposition that the Mass is a celebrative banquet is foreign to true Catholic teaching.

God will give a full measure of peace to a heart full of love for Him.  
If God is given only a portion of a heart, then He can give only that amount of peace that will fit into the portion of the heart He has been given.
