Weekly Bulletin #162

During the reign of the Roman Emperor Justinian, A.D. 527, the city of Antioch was repeatedly shaken by violent earthquakes. People found no other means of safety than that of inscribing on their doors the words which were revealed to a faithful servant of God: "CHRISTUS NOBISCUM: STATE!" - - - (Christ is with us: stand firm.) All the houses whose doors bore this inscription are said to have been preserved from the ruin which threatened them, whilst the others were shattered and crushed.

It is similar with souls who love and serve God. In the midst of a godless world there is but one means of preservation from eternal ruin, one means of perseverance in the great tribulation of life - - FAITHFUL ADHERENCE TO THE MOST BLESSED SACRAMENT, to the God-Man concealed beneath the form of bread. The words, "Jesus Christ is with me; stand firm." should be engraven in the heart of every Christian. Protected by this shield, the servants of God will remain firm in the faith, though all about them totter and fall. Our devotion to the Most Blessed Sacrament must be true and tender; it must show itself by our assisting at the Holy Sacrifice of the Mass - and more it must show itself by our willingness TO DO WHATEVER IS NECESSARY that will work toward the restoration of that Mass - EVEN THE UNITY OF ALL WHO BELIEVE IN THAT HOLY MASS!!!
