Weekly Bulletin # 167

One may ask with much logical reasoning: "What has induced our Blessed Savior to love us to the extent, even, of death itself? What caused Him to go to the uttermost limits for our sake? What urged Him to abase Himself so profoundly and to give Himself wholly - LIVING AND PERSONALLY - in the lowly form of Bread and Wine??? - - W H Y??? - - St. Chrysostom said: "He has reserved nothing - literally nothing"? - Only OUR WELFARE, OUR HAPPINESS, OUR BENEFITS! Christ knew that His love was necessary to us. He knew that only in His love could we find our happiness, our joy, our bliss. For this reason He suffered and died to obtain for us redemption, reconciliation and eternal life. He knew that His personal presence was necessary for the people of all times and places - PEOPLE OF GOOD WILL - who should live after the thirty-three years of His mortal Life. He knew that to many it would be truly the greatest benefit, the greatest delight, the greatest strength and comfort. He realized that without His continual presence, our faith would always linger in the past, while in the present it would be deprived of a living support and solid foundation. He knew how necessary it was that the fruits of the Redemption should be applied to each person individually, and that through the renewal of the Sacrifice of the Cross, the AVENGING HAND OF HIS FATHER WOULD BE STAYED.
