REPRINT FROM BULLETIN #145

The DOGMA OF HELL is the most terrible truth of our faith. THERE IS A HELL!!! We are as sure of it as of the existence of God, the existence of the sun. Nothing is more clearly revealed than the dogma of hell, and our Blessed Lord speaks of it many times in Sacred Scripture. The dreadful truth of hell was revealed to men from the beginning of time, and it is conformable to natural reason. All peoples, in one way or another, have acknowledged hell. Pagans, too, have acknowledged hell and spoke of it as the Under-World - a very dreadful place where the light of day never came upon it - - always winter - never Spring or fruitful Summer. It has been reserved for modern men, filled with the atheism of the NEW AGE, and to outdo the impiety of all ages by denying the existence of hell. They laugh at hell. Is a matter which affects the everlasting destiny of man laughable? Is the question which deals with an ETERNITY of punishment by fire a question to be laughed at? But their very laughter shores up the dogma of hell all the more - one does not laugh at something that does not exist. Unhappy men who wish that there might not be one, and in their laughter they try to persuade themselves that there is none!

1. AND SO, ON WEDNESDAY, JANUARY 16, 1991 WAR RETURNED TO PLAGUE US WITH ITS DREADFUL STING. WAR IS HARDLY MORE OR LESS THAN THE FEARFUL FLAMES LEAPING MERRILY FORTH FROM WITHIN THE BURNING FURNACE OF HELL! Yet, most of us - BY FAR - cast a cold philosophical look at the scenery of hell, and give to it nothing more than a cold philosophical POSITIVE!! expression. We are so filled with the demension of man, that we completely fail to comprehend just what those flames are doing to the Creation of God! We hear such expressions as "New Age", or "A new World Order", and ignorantly think that these refer to an improvement of Man's condition on earth. Our clouded reasoning, too lazy to penetrate everlasting TRUTH, fails to see WHAT is behind the entire movement, and WHO is behind it. Think not that this flame will never affect you, or that it will never reach you or those you love most. Think not that it will never reach you - - IT IS ALREADY AT YOUR DOOR!!!
2. Please pray for the War Dead - who were forced to give their lives for the success of the purpose of Satan and those in league with him.

Pope Pius X said: "TO RESTORE ALL THINGS IN CHRIST"

Important and true! but the condition of things today is so bad in our civilization and IN OUR CHURCH, that Pope Pius X's quotation no longer is possible. It is now a question: "TO PRESERVE WHATEVER POSSIBLE THAT BELONGS TO CHRIST."

The catacomb condition of those who are really trying to live their lives in Christ is becoming worse with each new day.
