It is truly alarming to witness such a great number of practicing Catholics who stoutly defend that they do not "SEE" anything different that has taken place in their church: all seems the same to them - - or so they say.

It is also very alarming to witness an even greater number of Catholic people who have discontinued ALL church affiliation and practice because their religious sentiments have been totally crushed by the change that the former group does not see!!!

It is truly strange and incredible, the things that happen to the souls of men and women who have fallen from the Grace of God!!!

LORD, GRANT US MONKS! LORD, GRANT US HOLY MONKS! LORD, GRANT US MANY HOLY MONKS!
