One of the MOST serious problems in the Church today (and as a consequence in society as well) is the decline of the authentic concept of 'OBEDIENCE'. Many no longer look upon OBEDIENCE as a Christian virtue, but rather a heritage of an authoritarian, dogmatic and backward medieval past, hence ONE TO BE OVERCOME. The enlightened modern age (New Age) simply must be free of this barbarism which stifles all initiative. But disobedience is the rejection of the concept of an authority willed by God, - and authority, therefore, that has its legitimation IN GOD and NOT IN THE CONSENSUS - VOTING POWER - of the majority of the members of the organization and/or family. The Church, (Family) is not a party, nor an association, and neither is it a club. The structure of the Church is permanent and is not DEMOCRATIC, but Sacramental, consequently hierarchical. Authority in the Church is not based on the majority of votes; it is based on the authority of CHRIST HIMSELF, which He willed to pass on to men who were to be His representatives until His promised return.

1. May the special blessing of Almighty God be upon all the Fathers on this day - that they may have the Grace and the Courage to be STOUT HEARTED MEN but also Men WHOSE WILL IS GOOD, mindful that being the representatives of Christ in the Family, they move and act in a way proper and befitting true representatives of Christ, mindful, too, that with authority goes an equal amount of responsibility. Scripture's warning is only too clear when It warns that whatever lack of profit the master of the house shall find in the sheep, will be laid to the blame of the shepherd.
2. Please pray for the Sick and Shut-Ins of our Chapels, especially remembering our Brother Al Sachs.

FRIDAY IS THE FEAST OF THE SACRED HEART OF JESUS
