It is not enough that we mumble the family ROSARY each evening as though it were a magic formula, guaranteeing our salvation. It is necessary that we literally PRAY the ROSARY, vowing as we pray that each of us will strive to make his family truly Christian. It is no accident that Our Lady of Fatima asked us to make the ROSARY a Family affair: a means to the Christianisation of our families; for the family is the basic unit of society: it is also the basis unit of the Christian Apostolate: the basis without which no Catholic action is possible.

Just as Mary and Joseph sought to protect their innocent Son from Herod, in THE VERY SAME WAY are WE ALL BOUND TO protect and honor the Mass and the Most Blessed Sacrament. We are not free merely not to profane it ourselves, but we are DUTY-BOUND, if and when necessary, to "THROW OUR BODIES OVER IT," as it were - we are DUTY-BOUND to protect the Holy Sacrifice of the Mass and the Most Blessed Sacrament from the least irreverence; we are DUTY-BOUND to RISK whatever consequences fall upon us as a result of our effort to protect that which is MOST HOLY. We should consider ourselves extremely blessed if we are called upon to do such a thing. There is simply nothing in all the world as Holy and Wonderful as the Mass. There is simply nothing in all the world as solemn and noble and majestic as the Mass. There is simply nothing in all the world as BEAUTIFUL AS THE MASS.

LORD, GRANT US MONKS! LORD, GRANT US HOLY MONKS! LORD, GRANT US MANY HOLY MONKS!
