

7. Please pray that God will permit us to start construction on our Monastic Church THIS YEAR, and that our Ground Breaking (October 4) will, indeed be totally effective and successful.

Until the very day when He has him thrown into "the pool of fire and brimstone" (Apoc), God allows Satan astonishing freedom of action. Let us recall that Satan had God's permission to enter earthly Paradise BEFORE the sin of our First parents. St. Paul tell us that "the mystery of iniquity ALREADY WORKETH" (II Thes)

At the moment of antichrist's coming, iniquity will reach a height that we are as yet unable to imagine!

Let us not delude ourselves in to believing that the antichrist shall come clothed only in the robes of the new world order or of the new order in the Church which Jesus Christ founded.. His robes might well be fashioned also by the quarreling traditionalist priests and people. Truth is one! Truth can ONLY be one! The claim of each traditionalist faction that OTHODOXY resides ONLY within the walls of that particular faction, has brought about a very effective "AUTO-DEMOLITION" of the traditionalist movement!

Responsible people are justifiably concerned about this very profound problem! and they are beginning to question the statement: "and the gates of hell shall not prevail against it". The more accurate translation from the Greek might well be applied to the present problems of the Traditionalists: "and the gates of Hell shall not FINALLY prevail against it."

If each Roman Catholic Traditionalist group claims to be an ORTHODOX TRADITIONALIST GROUP, then what reason can one give to explain why one Orthodox Traditionalist group is in such disagreement with another Orthodox Traditionalist group?? Truth can only be ONE! SOMETHING IS OUT OF KILTER, it would seem!
