

THE DUPLICATED INSERT OF THE FRONT OF THIS BULLETIN IS A DIRECT QUOTATION FROM THE BOOK IN GERMAN: "DIE SACRAMENTALE BEGRUENDUNG CHRISTLICHES EXISTENZ" ("The Sacramental Foundation of Christian Existence") written by the "CONSERVATIVE" Cardinal Prefect of the Sacred Congregation for the Doctrine of the Faith - Joseph Cardinal Ratzinger. The Sacred Congregation for the Doctrine of the Faith is the most important Vatican Curial Office, charged with the PRESERVATION AND PROMOTION OF CATHOLIC ORTHODOXY!!!!!!!!!!!!

A direct quotation translated from the German Text:

"Eucharistic devotion as is noted in the silent visit by the devout in church must not be thought of as a conversation with God. This would assume that God was present there locally and in a confined way. To justify such an assertion shows a lack of understanding of the Christological mysteries of the very concept of God. This is repugnant to the serious thinking of the man who knows about the omnipresence of God. To go to church on the ground that one can visit God who is present there is a senseless act which modern man rightfully rejects."

In this statement, alone, Cardinal Ratzinger, the very one entrusted to defend Catholic Faith, strikes resoundingly at the very FOUNDATION OF CATHOLIC FAITH. The EUCHARIST is the ESSENCE OF THE CATHOLIC RELIGION AND CHURCH. The Tabernacle is the HOLY OF HOLIES OF THE CATHOLIC RELIGION. He has struck at the PRESENCE in the Tabernacle that set it apart all through the ages, not only from all non-Christian religions but also from the thousands of sects that have retained the name of Christian. Is it any wonder, then, that the Tabernacle has been relegated to the broom closet????? How can any thinking Catholic sit back, and reason away such a harebrained statement???????? Any-one who would try to reason away such a statement, would seem by that to be in agreement with it!!!
