THE INVESTITUTE OF NOVICES FOR THE MONASTERY OF CHRIST THE KING

- (1) Mr. David O. Kling of Springfield, Ohio
- (2) Mr. Douglas May of New Haven, Indiana

The MONK is a MAN who labors because he is poor and is poor because he loves God, and who lives apart from the world and all the arrangements of the world in order to give praise to God. A Monk prays constantly. In his prayer, the Monk strives to contemplate God, and in his contemplation he comes to taste the inexpressible joys of God's love - - he does so in SILENCE, ANONYMITY, HUMILITY AND PEACE. For the Monk all things MUST be productive of PEACE. Only in SILENCE can one listen with the ear of his heart to the soft whisperings of his loving Father. The world and its noise are kept out of the sight of the Monk, and far away. Forest and field, sun and wind and sky, earth and water - all speak the same silent language, reminding the Monk that he is in the Monastery in order to develop like the LITTLE things that grow all around him - (all the little things give praise to God constantly). In SOLITUDE the Monk is planted in the Garden of the Lord, and his existence has one meaning only: TO REACH OUT FOR THE LIGHT OF TRUTH AND THE WATERS OF GRACE!

THE ALONENESS OF THE MONK WITH HIS GOD IS GRAND BEYOND ALL TELLING!!!

MAY GOD CONFIRM THESE YOUNG MEN IN THEIR PURPOSE
