

7. With the arrival of Septuagesima, it is time to start contemplating the necessity of a good confession. To neglect the Sacrament of Penance is flirting with serious and dangerous trouble!!! The obligation to go to confession - regularly cannot be taken lightly, and its omission is surely not without sin.
8. Please pray for good weather so that work can continue on the construction of the Abbey Church.

It is a pity that we have all come to think that the impoverished portion of the human family is composed of those who do not have the benefits of the bounties of this life - - rather than that the TRULY impoverished portion of the Family of Man is indeed composed of those who have deluded themselves into believing that progress, power, wealth and property are the principle elements of a good life!!!
