Weekly Bulletin #267

"The whole problem of our time is the problem of love: how are we going to recover the ability to love ourselves and to love one another? The reason why we hate one another and fear one another and distrust one another is that we secretly or openly hate and fear and distrust ourselves, and we hate ourselves because the depths of our being are a chaos of frustration and spiritual misery. We have tried to answer this problem inside us by developing a feeling of indifferentism. This only serves the result of more chaos, frustration and spiritual misery. Lonely and helpless we cannot be at peace with others because we are not at peace with ourselves, and we cannot be at peace with ourselves because we are not at peace with God.
