

- 5. The construction of our Abbey Church is progressing rather nicely. The very special prayers of ALL are requested that the church will be completed to be a worthy work for THE GREATER HONOR AND GLORY OF GOD, and that none of the workers are injured during construction. Please pray for the Monks who are working so hard in this effort. The sacrifice of the Monks is truly a great one!

The Dictionary defines a sectarian as one characterized by bigoted adherence to a factional viewpoint. There is no one more sectarian than a liberal. In these our days, we can say that there is no one more sectarian than a liberal catholic. In effect, the liberal catholic has made a compromise with error and with the revolution that has taken place in the Roman Catholic Church. Because of the compromise state in which he lives, the liberal catholic feels himself CONDEMNED by those who have remained loyal to Truth and to true and traditional Roman Catholicism. Therefore, when the liberal holds any power or influence, he, the liberal, persecutes the loyal Roman Catholics ferociously. He stops at nothing to discredit them and what they stand for! This is what has happened to the Latin Rite Roman Catholic and to all those who have set themselves against the liberal interpretation of the SENSUS CATHOLICUS, and to the so called "needed" and "demanded" "REFORMS" which have so thoroughly transformed the Church that was founded by Jesus Christ, Himself.. The liberal desires with all his heart that the Traditional Catholic feels a sense of guilt in his regard, but the truth of the matter is, that he, the liberal is the one guilty of duplicity. Failing in every logical argument against the Traditional Latin Rite observance, the liberal is forced to resort to the quite hackneyed condemnation: DISOBEDIENCE!!!
