The Rosary is not seen in the hands of the people any more, and families no longer have the Rosary in their midst. But is it not clear to see what is happening to our families? In the place of the Holy Rosary - - - in the place of family prayer - - we find the TV and this has resulted in divorce, separations, discord, every form of immorality, suicides, drugs, childrens' rights and a host of other unmentionables. The home has turned into nothing more than a shelter - sometimes quite an elegant shelter. The elegance of the shelter rarely contributes to the nourishment of the heart and soul of the shelter! Prayer is of God, and if we do not have time or interest for that which pertains to God, the atmosphere of God begins to deteriorate in our family circle. God's way, the Sacraments, and everything that is holy crumble and are replaced with sex and violence and all the other problems that have invaded the very sanctuaries of our homes. People without prayer and the Sacraments lack Grace, and if they lack Grace they lack EVERYTHING!!! (but people do not comprehend this awesome reality!) The absence of prayer in the family is the main reason for the disintegration of the family.

AND A FURTHER DOWNPLAYED REALITY!!!

THE ABSENCE OF PRAYER IN MONASTERIES AND CONVENTS IS THE MAIN REASON FOR THE DISINTEGRATION OF THE CHURCH AND OF THE WORLD!!!

LORD, GRANT US MONKS! LORD, GRANT US HOLY MONKS! LORD, GRANT US MANY HOLY MONKS. !!! LORD, PLEASE PERMIT US TO COMPLETE OUR ABBEY CHURCH SOON !!!
