THE NINTH SUNDAY AFTER PENTECOST

Weekly Bulletin # 324

July 24, 1994 - - - Green

The Catholic Faith is the only solution to the barbaric re-introduction of heathenism in the modern world. The Church is the uncompromising standard-bearer of divine Truth in the world. As Jesus Christ is her Head, Truth is her immaculate honor. She judges all things by a divine Light, and in that Light all things receive their true luster which God has bequeathed upon His creation. There can be no stopping the forces of idolatry which are destroying the world, with the introduction of heathen thinking - especially in our schools. The TRUE Church alone has the supreme power to put the demons of modern idolatry to flight, to dispel the darkness of error and sin, and to dissipate the thickening clouds of superstition. She alone has done it once, and she can and will do it again, if and when Catholic men and women can ONCE AGAIN stand possessed of the greatest divine conviction, courage, charity, grace and Truth. Catholic men and women must wash away the tarnish put upon them by the same church they once called Catholic. They must become willing to stand as once the Saints and Martyrs stood in times past, before the world, as intrepid champions of our Lord, His saving Faith, and His One, Holy, Catholic, and Apostolic Church. Though reduced to a mere handful, these men and women have the strength and power to hold back the larger forces of evil, because they, together with the God they love and serve, constitute the final majority. No weapon forged against the True Church shall ever prosper, for the Church is divine and therefore imperishable. The world and Modernism rages against God and His True Church; and the rage and hysterical hatred are proportioned to the knowledge and understanding of the "prince of Darkness," who know, of a certitude, that the TRUE Catholic Church is invincible and indestructible, and that whatever power, party, force, or hatred is employed to destroy it, shall itself be broken and destroyed.
