

3. EARLY ANNOUNCEMENT: THURSDAY, DECEMBER 8, 1994 IS THE FEAST OF THE IMMACULATE CONCEPTION OF OUR MOST BLESSED MOTHER, MARY, and is a HOLY DAY OF OBLIGATION. Those who CAN should make a sincere effort to attend Mass on that day. Those who CANNOT - and this with real and sincere reason - should make an honest effort to spend at least ONE HOUR in solemn prayer and holy reading. This should also be a SILENT HOUR in your household.

MASSSES - STL FRANCIS CHAPEL - CULLMAN: 6:00 A.M.  
7:00 P.M.

4. As things stand at the present moment - the Christmas Day Mass Schedule is very uncertain.

5. As everyone already knows, the Abbey Church; if God so Wills, will be dedicated on Low Sunday April 23, 1995. As soon as the Dedication Ceremonies are over, we shall immediately begin our effort at administering the Sacrament of Confirmation. It is suggested, that parents begin, now, in early preparation for this occasion. As time draws near, more detailed instruction will appear in the Weekly Bulletin.

During the Holy Season of Advent - please pray that the Good God will favor us all with good and holy and sincere vocations to the Holy priesthood, to our Monastery of Christ the King, and to the sisterhood of our convent (to be). If we truly want vocations we shall have to pray to get them - WE SHALL HAVE TO DO SOMETHING - THEY JUST DON'T HAPPEN! To sit back and wait saying that we need not fear: "God will provide us all that we need!" - is no less than a sin of PRESUMPTION!!! We must do something, and we must do the RIGHT THING - F!I!R!S!T! - then, and only then, might we hope for the help of God! He must first come to know the strength of our desire!. Have you done something lately that might be of help in the getting of good vocations??? The need is urgent, and we must be about fostering vocations RIGHT NOW. Tomorrow is much too late. Do not think only of your own personal and present needs. Do not think only for today. Give a thought to the need of your children TWENTY YEARS FROM NOW!!!!!!

ERRONEOUSLY, some think that the restoration of the use of the Latin language in the Catholic Liturgy is the predominant purpose and concern of the Traditionalist Apostolate. These same people are of the opinion that the re-introduction of the traditional religious garb demonstrates a healthy and a very BOLD return to solid Catholic tradition and life. NO! NO! NO!

Such superficial and reckless thinking is all wrong and has only cosmetic value. It has no sound foundation, and it produces a false hope and sense of security in the minds and hearts of the confused and very disillusioned laity who are suffering from religious starvation and are begging for the Holy Catholic Religion which was once theirs! The laity are the real victims of today's religious crisis in the Roman Catholic Church. To give them less than they so ardently beg for - is criminal!

The really BIG GUNS of the modernist catholic leadership are not aimed at language or wearing apparel. They are aimed SQUARELY at the very foundation of Catholic belief and observance!! The spiritual welfare of our laity demands that we present them with the truth - with a complete disclosure of today's Catholic crisis and who is responsible - and names should be mentioned!!! - - but this might require courage beyond our ability to face the resulting consequences!!!
