

STORM LAMP

Everyone will most likely agree that weather in recent years has been a source of concern. Destructive storms, severe and cold Winters, dry and hot Summers have all become quite common. In Faith, therefore, a LAMP has been lighted in the Abbey Church and will burn continuously. May it please God to be constantly reminded of our prayer against storm and ill weather by the light of this blessed lamp. We ask for this special protection for the monks and nuns, and for their property and possessions; we ask this special protection for all the members of our Three Chapels, for their families, their property and their possessions. May God spare us all from the fury of any and every storm and from the ill effects of extreme weather.

6. The Dominican Sisters of Our Lady of the Rosary Chapel are sponsoring The Rosary Confraternity. Without doubt, this is a most worthy effort. Anyone interested should contact: Our Lady of the Rosary Chapel
