

3. Do not fail to ask the Holy Ghost to inspire young men and women to the religious life and to our Monastery and Convent.
4. DO NOT FORGET YOUR EASTER DUTY - not so much as a matter of duty as it should be a matter of love and understanding.
5. NOVENA to the Holy Ghost is in progress. If, by chance, you have not started the novena - do so now. Do not pass up this wonderful opportunity of prayer to the Holy Ghost.
6. Saturday, May 25 is the Vigil of Pentecost. Treat this day carefully, and strive to offer up something special to the Holy Ghost.

Traditionalist priests and people should come to understand that it is not in the precise and flawless (and often-times exaggerated and artificial and mechanical) rendition of Traditional Liturgical Ceremony that the genuine "SENSUS CATHOLICUS" is to be found. Neither is it to be found in the inordinate attachment to the use of the Latin Language. The "SENSUS CATHOLICUS" is best realized in the furtherance of a virtuous and prayerful Christian life of Charity, Humility and Obedience as exemplified by Jesus Christ.
