1. FRIDAY, JUNE 14, 1996 IS THE FEAST OF THE SACRED HEART OF JESUS.
Many or most of us have delicate and serious problems that must needs be solved. Many of us have problems that cause us great anxiety and stress. Many of us have doubts that cause us weariness of soul. Many of us have children who have fallen away from their Faith. Many of us have children or relatives or friends that have serious marital difficulties. There are many other problems as well. The Sacred Heart of Jesus, full of love for us all, is so anxious to help us. On the beautiful Feast of the Sacred Heart, let us pray with love and devotion, and with sincere humility ask for the help that we need. At least one hour should be spent in prayer and adoration before the Sacred Heart of Jesus on His Wonderful Feast Day. This can be done in the silent privacy of our own home. During our Holy Hour, do not forget to ask Our Blessed Lord to come to the help of His Church, and to bring back some order in the chaos which is now so characteristic of the Church He, Himself founded!!
2. Thursday, June 13, 1996 is the Feast of the Very Great Saint Anthony. This should be another occasion for special prayer. Do not fail to thank St. Anthony for the many favors he grants us and which oftentimes go so unnoticed and forgotten. He is truly a great saint!!!
3. Please pray for all the Sick and Shut-Ins of our Chapels especially remembering Al Sachs and Woody Flemming.
