

3. Please pray for all the Sick and Shut-Ins of our Chapels especially remembering At. Sachs, and Kathryn Lineback-
4. Next Sunday - September 29, 1996, is the Feast of the Very Great St. Michael, Archangel. If ever we needed the protection of St. Michael it is at the present moment. The warfare between the Force of Good and the Force of Evil is becoming more and more intense with the dawn of each new day. Prayer - HUMBLE PRAYER-is the most effective weapon. Therefore, prayer should be employed by everyone who can pray and whose will is good. The prayer to St. Michael should be recited every day. Next Sunday, also, is the Feast Day of our Father Michael, O.S.B. Your prayers for Father Michael will be most appreciated

PRAYER is the beginning of all that is good in man. Therefore to become familiar with prayer, to value it greatly, to love it and use it rightly and zealously is an inestimable possession both for time and eternity. To pray is the simplest thing on earth and in human life. It is essentially simple, just because it is so necessary. To pray needs no learning, no eloquence, no money, no earthly recommendation. It does not even require any special feeling of devotion. Sensible consolation in prayer is only an accompaniment and quite secondary matter. The intention to pray, the intention to address oneself to God - this is the important matter.

EVERY PRECAUTION MUST BE TAKEN LEST
