- 2. October is the Month of the Most Holy Rosary. Every effort should be made to recite the Holy Rosary every day, more especially during the month of October. The Rosary is a very strong instrument. It might even be said that one who has genuine devotion to the Rosary has an almost assured entrance to Heaven. PRAY THE ROSARY!

 The Blessed Virgin Mary will see to it!!

VENERABLE FRATER PAUL MAY, O.S.B

* * * * WITH GOD'S HELP * * * *

WILL PRONOUNCE HIS PERPETUAL VOWS

OF STABILITY, OBEDIENCE, AND

CONVERSION OF LIFE

TODAY

- Please pray for Frater Paul. Consider the amount of Faith that is required to make such a promise in today's church! He will promise stability in a religious atmosphere that lacks all stability. Pray that God will always give stability to the Monastery of Christ the King and to its monks. The stability of this Monastery is very necessary, and it must be provided the people who come here seeking religious stability.

We who say we love God: why are we not as anxious to be perfect in our labors as we pretend we want to be in our service of God?? If we do not try to be perfect in the work we perform perhaps it is because we are not working for God after all! In any case it is depressing that those who serve God and love Him oftentimes perform their work so badly, when those who do not believe in Him, nor love Him take such great pains with their work.
