THE TWENTY-FOURTH SUNDAY AFTER PENTECOST Weekly Bulletin # 428

November 10, 1996 - - - Green

Mass of: (in some books - Additional Mass Number 3; in some - 5th. Sun. after Epiphany) The readings are: Epis. Col. 3:12-17; Gosp. Matt. 13: 24-30. Gl; Orat. (1) Sun; (2) Saints; (3) For Church; (4) Against Storms; Cr; Pref. Trin.

ERRONEOUSLY, some think that the restoration of the use of the Latin language in the Catholic Liturgy is the predominant purpose and concern of the Traditional Apostolate. Such thinking is superficial and has only a cosmetic value. Catholic Life is not to be found in language or the careful use of certain liturgical functions. The really BIG GUNS of the so-called catholic renewal are not aimed at surface conditions. They are aimed SQUARELY at the very foundations of Catholic belief; Catholic observance; Catholic life. Indeed, the guns are aimed at the Catholic Church itself. In the past much has been said against those who claim there is no pope - the Sedevacantists. These have focused their attention on the person of the pope as the Vicar of Christ. Today's catholic in-house church leadership is bombarding THE PAPACY ITSELF. They worry little about who is sitting or not sitting on the Chair of Peter. They are aiming at the Chair of Peter - ITSELF. When that is gone - then what? To these individuals - the pope is NOT the Vicar or Christ, the pope is the vicar of Peter, stripped of all centralized authority. In such a pattern the local bishop is the final word in everything.

DURING ADVENT - pray for the Church that was founded by Jesus Christ!!!
