

of our God given purpose. IF WE HAVE THE INTENTION AND THE DESIRE OF OUR ETERNAL REWARD - we must comply.

To live with the foolish expectation of being able to achieve the fullness of our awesome duty and obligation at the final moments of the sunset time of our lives, or when the fun-time clouds of life have all been blown away by the wind - is, indeed, expecting too much, and something that we simply CANNOT count on, no matter who we are!

1. Please pray for the Sick and Shut-Ins of our Chapels, especially remembering Al Sachs and Frank Nash (who has undergone a serious operation).
2. Confessions are heard before masses on Sunday.
3. Let us never fail in our duty in Charity to pray for all men. All men were created by God for the same purpose. Therefore, let us pray for all those who have died in tragic deaths - those who have died because of the will of man, or who have died because of the forces of nature.

May God have mercy on them every one!

If you know a creature without knowing how it represents the Creator, you do not know the creature. The whole of creation is an analogy of God because it bears His stamp and initials. It is a symbol of God.

So, the people of Medieval times could well say that everything spoke of God!
