*This day Christ was born: this day the Saviour hath appeared: this day the Angels sing on earth, and the Archangels rejoice: this day the just exult, saying: Glory to God in the highest, alleluia.*

*Especially do we greet you, our loved ones of "Our Lady of Lourdes Chapel," "St. Pius V Chapel," "St Francis of Assisi Chapel." We greet those of you who usually travel great distances to be with us and to attend Holy Mass with us. You are such a great part of our lives, of our love and of our prayer. One thing we hope for - with all our hearts do we hope for it - and that is that by our example of tolerance, understanding, compassion, spirituality, and by our faith and courage we might be a small reason for your greater Joy and Peace: for your greater Stability, Serenity and Holiness. We wish this for you and for those whom you love most!!!*

*In like manner do we greet you, our most welcome friends and visitors. We pray that because of your visit, your Christmas Joy and Peace will be enlarged and be made more Beautiful and Holy. God bless you in every good way. We invite you to return many times over.*
