We must discontinue the use of the term "Latin Mass" when speaking of the Tridentine Mass. The term "Latin Mass" and the term "Tridentine Mass" do not necessarily mean the same thing. The term "Latin Mass" (and the sounds of Latin in church ceremonials now used in certain places) have lulled many a pious, concerned and TRUSTING soul into silent complacency and submission, and false hope is built in the expectations of wounded hearts. LATINISTS - TAKE HEED!!
