

1. Today we continue to observe and give Honor to the MOST SACRED HEART OF JESUS. Let us ask the Sacred Heart to be mindful of His violent suffering on the Cross, and let us assure Him of our own willingness to suffer for Him and the cause for which He died. It is all for Him -- NOTHING FOR US. His enemies are our enemies as well, and we beg Him to protect us from their onslaught which never seems to come to an end.
2. Today is also the FEAST OF ST. ANTHONY OF PADUA. Need it be said that St. Anthony is a most beloved Saint, and one who never ends his work in our behalf. He is a special Saint.
3. Next Sunday there will be Mass at 9:30 A.M. at St. Pius V Chapel in Birmingham, and we return to our usual schedule of Sunday Masses.
4. Please pray for all the Sick and Shut-Ins of our Chapels, especially remembering Al Sachs.
5. We take this opportunity to EXTEND PROFOUND THANKS to all who took part in our CORPUS CHRISTI CELEBRATION. Not enough can be said concerning the beauty of that occasion. The Many people in attendance were very much edified and their edification surely gave honor and glory to Our Most Blessed Lord in the Holy Sacrament of His Love. Even the weather took time out from the vicious storms that we were having at that time. The day was beautiful in every way - to the Greater Honor and Glory of God.
6. With all the predictions of coming cataclysmic events, let us prepare ourselves for whatever may be the result of them. However, our main preparation should be a SPIRITUAL ONE. We have no idea of what, or how, or where, or when - it really matters little. Our chief concern should be the condition of our soul at the moment of trouble and temptation. Prayer (especially the Rosary) should surround us at every moment of every day. After that - let us put aside our worries.
