

1. The Final and Concluding Part (IV) of our present study "of The Humanity of Christ" is included in today's Bulletin # 575. As has been suggested before, if you wish to understand this study, you must read it many times over, and you must pray for the Gift of Understanding. Most traditionalist writings tell us that we must "know, love and serve God, and to be with Him for all eternity." But most traditionalists writings DO NOT tell us how to know God. They do not tell us HOW TO LOVE GOD! They do not tell us how to serve God properly. Truly something to be concerned about!!!
2. Please pray for the Sick and Shut-Ins of our Chapels, especially remembering Al Sachs.
3. Please pray for the multitude of Turkish People who have died as a result of the recent earth-quake. Undoubtedly there will be those who will say: "But these are pagan people, and are, therefore, essentially evil people. We cannot pray for pagans! There is no salvation for pagans! Being christian people, we will send them material assistance, but that is as far as we will go." First of all, the determination that there is no salvation for these people is not a determination for us to be making. Such a determination rests in the Hands of God -- ALONE! Secondly, that these people are not worthy of salvation and not worthy of our spiritual assistance, even though, perhaps worthy of our money and groceries, is a gross manifestation of our selfrighteous attitude. Such an attitude may very well place our own spiritual well-being on some rather thin ice!!! We must stop this business of speaking FOR God! Let God speak for Himself!!!!  
Please pray for the TURKISH PEOPLE!
4. Please pray - also - that in any of the coming and programmed Millennial events the Kingship of Jesus Christ - in His Suffering and Death; in His One, Holy, Catholic, and Apostolic Church; in His Most Blessed Eucharist be maintained and professed! Please pray that any attempt to DEPOSE Christ as King of Heaven and Earth; to DEPOSE Him from the Throne of His Holy Cross; to DEPOSE Him and discard Him from His Most Blessed and ever wonderful Eucharist be blocked - point blank - and in a most wondrous way!

events of His life. If our meditations on the Sacred Humanity of Christ are performed with a proper attitude of mind, and a devout intention, our meditations will **change**: OUR PRAYER LIFE WILL CHANGE, our disposition will change, our concerns will change, our character will change. After a while, the hidden Divinity of Jesus Christ will begin to manifest itself more clearly to us through His human features which first attracted our gaze.

If these instructions are read but once, it is certain that they will not be understood, and will be considered to be totally out of the reach of our abilities and above our understanding. In order to receive the message found in these instructions, they must be read several times - slowly, carefully and quietly. Before the spiritual life in us takes on any real meaning we must come to a clear understanding of Jesus Christ. Christ did not confine His teachings to be learned only by the people of His time and place. He speaks, just as clearly to us who live at this precarious and dangerous moment in the history of mankind. Therefore, do not be frightened away by this discourse. Christ did not become Incarnate simply to place impossibilities before us. He became Incarnate to show us the WAY to save our souls, even in this our modern world of the THIRD MILLENIUM.
