

1. Please continue to pray for the people of Turkey: for the dead and for all who are in need and hunger and suffering.
2. Please pray that in any and all of the coming programmed Millennial events, especially ANY AND ALL that have to do with Religious Affairs, and the Roman Catholic Church, THE KINGSHIP OF HESUS CHRIST be kept sight of. Please pray that the Almighty Power of God stop - POINT BLANK - any attempt to DEPOSE Christ as King of Heaven and Earth; any attempt to DEPOSE Him from the Throne of His Holy Cross; any attempt to DEPOSE Him from the Throne of His Most Blessed Eucharist; any attempt to compromise or destroy Our Holy Faith - the unchanging Faith of the Ages. Only the Hand of God can stop the besiegement.

*"We sit by and watch the barbarian,
we tolerate him; in the long stretches
of peace we are not afraid. We are
tickled by his irreverence; his cosmic
inversion of our old certitudes and our
fixed creeds refreshes us; we laugh!
But as we laugh we are watched by
large and awful faces from beyond;
and on those faces there is no smile!!"*

Hilaire Belloc

brings spiritual consolation to troubled souls. Themselves poorly rooted in the fundamentals of the TRUE FAITH and the TRUE CATHOLIC EXPERIENCE, the authors of controversy successfully disturb the timid faith of weak souls or new-comers who chance upon their program of disruption, hatred and attack. The end result is inevitable - mental imbalance, religious isolation and eventual loss of faith. The use of cleverly selected truisms distances the reader emotionally and intellectually from what is really the truth. THIS IS NEVER EASY TO OVERCOME - and the devil wins again!

Today, the use of the internet, percolates this damage throughout the thinking world, deforming young minds more seriously than the old minds. Once deformed, always deformed, and the mentality of our future generations has already reared its ugly head::::: THERE IS NO GOD!!

Lay people - TAKE CARE - If properly trained and experienced and seasoned priests have not been able to solve this problem - for over forty years raging in Christ's Church - how can the untrained lay person, or the anonymous person, or the priest of questionable credentials presume to bring order and restoration to the present chaos? TAKE CARE ALSO - - all Second and Third Generation Catholics, unfamiliar with the true Catholic Experience - how can the unexperienced produce experience?
