

1. Please pray for all the Sick and Shut-Ins of our Chapels, especially remembering Al Sachs and Frank Nash. Remember, too, the victims of flood, storm, earthquake and the unending flow of victims at the hand of our many terrorists.
2. Please pray that God will protect us all, not only from the evil of knife or gun or bomb, but also from the worse evil of the tongues of evil intentioned people!
3. One never knows when danger will strike, or when death comes to take us out of this life. Therefore, we should always be prepared for any eventuality. The best preparation is Confession - the Sacrament of Penance. The Sacrament of Penance is a must for every body.
4. Tuesday, September 21, 1999 is the Feast of St. Matthew, the Apostle.
5. The official power structure of the Roman Catholic Church has reduced the motive behind the resistance of the traditional Roman Catholic Church to a crisis of obedience. Nothing could be farther from the truth. The resistance of the traditional Roman Catholic Church has nothing to do with a spirit of disobedience. Neither does it have anything to do with nostalgia for the things of yesteryear. Traditional Roman Catholicism resists the crisis of Faith that has infiltrated itself into every move of the official power structure which has gained authority in the Roman Catholic Church.

But - lo - what has happened of late? In our **Holy of Holies**, any man of whatever station and condition; any woman of whatever station and condition; any child of whatever station and condition can reach into our **Holy of Holies**, and can freely handle with hands unconsecrated and of whatever condition the astounding **Miracle** found therein. **Miracle of Miracles** - the whole Substance of the **Body and Blood of Jesus Christ Our Lord**:

**CHRIST - THE WORD - THE SECOND PERSON OF OUR MOST BLESSED TRINITY!**

Time was when every eye turned to the direction of Jerusalem where the **HOLY OF HOLIES** was kept. Every prayer was directed toward that most Hallowed Spot - the Old Holy Of Holies where Two Rocks and a Stick of Wood were carefully kept!

Now no eye turns towards the new **Holy of Holies**. **No knee bends in silent adoration of it. NO PRAYER IS DIRECTED TO IT.** Strange hands move it about from hidden corner to hidden corner! Our Holy of Holies - our Tabernacle where the Lord Jesus Christ remains the prisoner of Love.

**AND PEOPLE CRY OUT THAT NOTHING HAS CHANGED! Alas! Alas!**

Oza was struck dead for simply touching the Container where Two Rocks and a Stick of Wood were stored. But now in our day nothing seems to happen to the unconsecrated hands of whatever condition, which with reckless abandon, seize and grab at the very Body of Our Lord Jesus Christ.

Does God no longer care? Is He unmindful of man's inhumanity toward the Divine?

Does God no longer punish? Indeed, God does punish. But Oza died in the body! So absorbed are we with matters of consequence of this world, we forget - we do not think about the matters of consequence that are not of this world. We are not being punished in our bodies - as Oza was - we are being punished in our souls. Faith has been taken away - we no longer believe!

**WHAT DEATH IS THERE THAT WILL EVER EQUAL THE LOSS OF ONE'S FAITH.**

God no longer strikes at the body. He strikes at the soul! And the death of the soul will not be realized until **death overtakes the body of man** - man who dared to forget that God is still the God Who will not be mocked!
