2. Advent is soon to arrive. It is time to get your Monastic Home Altars in readiness. Look them over, refresh them - (if dust has accumulated on them over the year???) . Everything should be fresh and clean on them. It is quite important that the Advent of the Year 1999 A.D. be used well. The prayer life of these current days should be fill with genuine and sincere intention and purity of heart. Perfect Prayer is our only protection and prayer will keep our lives in tune with our final destiny. In your prayers please keep the well being of our Monasteries of Christ the King and St. Joseph. Pray that God will protect our vocations and shield us from the attacks of the enemy. You know that you are all in our very special prayers.
3. Last Sunday was the Feast of Christ the King, and in our Abbey Church we had special adoration of the Most Blessed Sacrament. There are not words good enough to describe the beautiful sacrifices that were made by so many of our people. Some of the sacrifices were truly large, indeed. One family traveled all the way from Florida (unable to be present for mass) just to make a Holy Hour, and then returned straightaway to Florida. Others remained in the Church all afternoon. Several came from other states. It was truly a day of prayer. There were plenty of people coming and going into and out of the church all afternoon. It was truly a day of prayer. May it be that God was pleased with our offering to Him. May we all be blessed in abundance.
4. Please pray for all the Sick and Shut-Ins of our Chapels, especially remembering Al Sachs.
