

1. Next Friday - July 7, 2000 is the First Friday of July. Mass in the Abbey Church at 6:00 A.M. and 8:00 A.M.
2. Please pray for our Sick and Shut-Ins especially remembering: Carol Girardi and Frank Nash.
3. Special gratitudes to all those Gentlemen who took part in the wonderful celebration of Corpus Christi. As all took note - - it was a splendid and beautiful occasion for prayer and reparation. The little children did so much to show forth the Glory of God!
4. Let us not put aside the serious necessity of the Sacrament of Penance.
5. TUESDAY IS INDEPENDENCE DAY! The Fourth of July - an important day for true and good American. We must pray for our Country, and we must love our Country - even though there may be things we would like to change. It is quite unfortunate to find those who look upon their country with disdain and even hatred, and think everything wrong about it - even from the very beginning of its Declaration of Independence. To "BASH" our Country is not the admirable thing to do. Anyone who finds it expedient to live in America should also find it expedient to love America.

Happy Fourth of July

The Instruction in our Bulletins should be read SEVERAL AND VERY CAREFUL TIMES. Our Bulletins are interested ONLY in the development of the Interior Life of the Soul! NOTHING MORE! Therefore every one is urged to read the Sunday Bulletins many times over, and after several readings, every one is urged to work toward the PERSONAL IMPLEMENTATION of what is said in them. Today - more than ever before - failure to take ACTIVE steps in the direction of the Interior Spiritual Life is SPIRITUAL SUICIDE!
