

Do you suppose  
That  
Private,  
Uneducated and inexperienced  
Opinion  
Will put this back  
Together - - again?

Look closely at this  
Picture for a moment  
And meditate!  
Before you can come forth  
With opinion  
You must get amongst  
The rubble.

In our own times, when a scattered few men and women dared to stand firm against untruth, only - - - to suffer the hot desert sands of loneliness; to be ostracized by all their peers; to be condemned by all of their superiors; to be contradicted on all sides by those who are - themselves - tossed about by the raging seas of modernism; to be audaciously questioned by a lunatic fringe as to the authenticity of their credentials and the honesty of their intentions -- IT WAS NOT OPINION THAT SEDUCED THEM!

Until and unless the people who attend traditional services figure out the reasons WHY they cling to Traditional Roman Catholicism - - for that matter until and unless ALL CONTEMPORARY Catholics - - regain their convictions and step down hard on their empty personal opinions, we will all be doomed to a most uncertain future!

The most unfortunate truth is that strong opinions incubate best in the minds of proud folks. But how does one enter the dungeons of a proud man's heart and soul? Remember Lucifer - - - there was no conversion for him - - HE HAD TO BE TOSSED OUT!
