

the real reason for his existence. The most serious of all the serious movements is the one that faces man today: MODERNISM. Modernism has declared war on everything - ESPECIALLY - the One, Holy, Catholic and Apostolic Church of Jesus Christ. In the modernist church, indeed in all the world, we have come face to face with the ultimate devastation: THE NEW AGE!

Many Christians, even traditionalist Christians, view the New Age Movement as merely self-indulgent silliness. Unfortunately, there is far more to the movement than astrology crystals, wierd workshops, and ridiculous totem poles. New Age spiritual leaders have a REAL purpose - a firmly entrenched anti-Christian worldview, and many of them harbor a special hatred for the Catholic Church. Wicca and such like are serious business, and has successfully invaded our former citadels of spiritual power and spiritual holiness: our CONVENTS. Now some of our catholic nuns walk on labyrinths to contact the "Divine Feminine." Our children have been introduced to the labyrinth! - they are shown how wonderful it is. Behind locked - ever locked - doors, rituals take place that only the select few know about! The others in the convents look the other way. Many believe that the Fall was really man's ascent into knowledge, assisted by Lucifer whom they hail as the bringer of light and wisdom. PLEASE TAKE SERIOUS NOTE OF THE WAY ORIGINAL SIN, THE GARDEN OF EDEN, THE FALL OF MAN, THE REDEMPTION ARE BEING TAUGHT TO OUR CATHOLIC CHILDREN IN "CATHOLIC SCHOOLS"! This has been going on for many years. The parents complain - BUT THEY DO ABSOLUTELY NOTHING ABOUT IT!

The Garden of Eden Gate is NOT THE LOCKED DOOR OF WICCA! Say what they wish to say, God is still very much in charge, and being in charge, those of us who do not knock on the locked door of Wicca, will have to search out the whereabouts of the Garden Gate, and the only key that will open it - and there is such a key - is the key spelled - CONVERSIO!

1. Wednesday, Friday and Saturday of this week are the September EMBER DAYS and are days of Fast and Abstinence. Meat may be eaten once on Wednesday and Saturday. We strongly advise each and every one to make sacrifices on these days. The days are more grave than we are willing to think and they require prayer and more prayer and more prayer. Special reading should take place on these Ember Days. If you have nothing other, simply pick up your older Bulletins and read them as your Spiritual Reading.
2. Please pray for the Sick and Shut-Ins of our Chapels, especially remembering Marilyn Joan Diehl.
3. Thursday is the Feast of the Apostle St. Matthew.
4. Beginning with Ember Wednesday (of September) the Monks go on their usual custom of keeping Wednesday as SILENT DAYS. Therefore, when trying to contact the Monks, please keep Wednesday a Silent Day. This is done as an act of penance and reparation. It might be well if you, also, made an effort to keep some degree of silence on Wednesdays.
