

1. ALL SOULS DAY ENVELOPES ARE NOW AVAILABLE. Please take one of these and return it before November First. DO NOT FORGET THE DEAD! These envelopes will be kept nearest the Tabernacle until next All Souls Day.
2. Please pray for all the Sick and Shut-Ins of our Chapels, especially remembering Marilyn Joan Diehl, Ray Bruns.
3. This week before us is a week FULL of truly important Feast Days:
  - (1) Monday - Oct 2. The Feast of the Most Holy Guardian Angels. Patrons of the Benedictines.
  - (2) Tuesday - Oct. 3. The FEAST of St. Therese of Lisieux. Patron of our Abbey Church (Together with St. Joseph)
  - (3) Wednesday - Oct. 4. The Feast of St. Francis of Assisi.
  - (4) Saturday - Oct. 7. The Feast of the Most Holy Rosary.Try your best to keep these holy days in mind, and try your best to exercise a holiness of life appropriate to the importance of the Feast.
4. October is the Month of the Most Holy Rosary. If you do not already say a Rosary each day - CERTAINLY it is a must that everyone say the Holy Rosary once EACH DAY during the month of October.

THERE IS SO MUCH THAT WE ALL HAVE TO PRAY FOR

(No. 1 on the list of prayer requests is the CATHOLIC RELIGION)
5. A SPECIAL NOTE: For the three weeks ahead of us we are going to present in our Bulletins Chapter 1 of a small book that was written once upon a time by a Theatine priest by the name of Father Lorenzo Scupoli who lived in Italy from 1530 - 1610. The Name of the Book is "THE SPIRITUAL COMBAT". This small book has long been considered as one of the foremost books ever written on the interior spiritual life. Chapter one is presented exactly as it was translated into English around the year 1905, and it may well be looked upon as a continuation of the series of narratives that have been written in our Bulletins for the past several weeks. More or less, it is more of the same, but written by someone other than the writer of the Bulletin narratives. Please READ SLOWLY AND CAREFULLY!

What appears in our Bulletins is not the personal and private opinion of a contemporary writer. Whatever is found in our Bulletins is Catholic Experience and Truth, and every word is supported by careful study and research and prayer and meditation. Before any word in our Bulletins comes up for questioning, the questioner should spend a little time in study and research and prayer and meditation. Unless this is done, a HOLY Silence should be carefully maintained. Much damage is done to our Holy Catholic Traditional Religion by both priests and people who go about with improper Formation in the EXPERIENCE of Catholic Tradition, and a barrage of poor Catholic practices--not the least of which is JANSENISM-- is being pumped into the minds of our Traditional Catholic Family. When you receive religious SCREED (Def: a long, monotonous harangue or piece of writing intended to tear down the reputation of someone or some thing) throw it away and do not give it to other to read. There is much of that going around these days. In the place of reading religious Screed - say a Rosary!
