

EPHAPHANY CHALK is still available for those who could not receive it last week. The Epiphany markings over our door (all doors in the house is highly desirable) are a source of much wonderment and curiosity to all visitors - both catholic and protestant. In former times all such beautiful customs and symbolisms were commonplace in and around strong Catholic Family circles - Families who had a full grasp on Catholic Experience. Very often Catholic Custom silently brought about the conversion of many protestant people. The various manifestations of the "Sensus Catholicus" - correct Catholic Experience - around the home underlined Catholic activity and increased the strength of the Faith amongst family members. Today most Catholic activity in catholic family circles is gone (NOT SO with Families of Eastern Religions and cultures). Forgetful of their Catholic origins, catholic people (as do protestant people) need instruction. Our once magnificent Catholic Churches have been stripped of every Catholic symbolism and all beauty - NAKED HALLS - and the Catholic laity has lost every point of reference to the once glorious Catholic Religion - - Catholics - COMPLETE STRANGERS to their Catholic Religious and priceless heritage. In place of the former reverential beauty of Catholic Worship, we now see a monstrous and vulgar, wild and mindless irreverence (ALL DONE IN COMPLETE BAD TASTE) which our catholic leadership blandly labels a fitting and more meaningful act of worship of God, Who - so it now seems - can be found in the center of a labyrinth (whatever that means)

Please pray for the Sick and Shut-Ins of our Chapels.

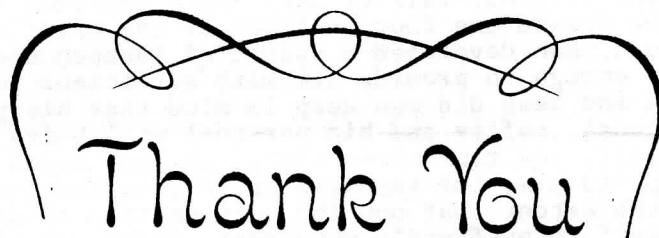

If you have candles that need to be blessed on Candlemas Dan (Feb 2) please bring them to the Church - properly identified - and place them on the bench in the vestibule of the Church.

The annual Tax Statements have been mailed out. If you have not received your 2000 A.D. Tax - contribution - Statement, please notify us immediately, and we will print out another one for you.

Read - - - - S T U D Y - - - - your Weekly Bulletins with great care and concern. Every week the application of sound and correct Catholic Experience is carefully discussed. Some think - quite incorrectly - that everything about Catholic Experience is to be found in the Catechism. NOT SO! The Catechism tells you what Catholic Experience is - IT DOES NOT TELL YOU HOW TO APPLY IT. If you do not give time to the study of your weekly Bulletins, you do not have a justifiable reason for complaint that you are not receiving Catholic Religious Instruction - YOU DO! AND ITS IN YOUR BULLETINS AND IN THE SERMONS!
