

1. Wednesday, September 12, 2001, is the Feast of The Most Holy Name of Mary. Friday, September 14, 2001, is the Feast of the Exaltation of the Holy Cross. Saturday, September 15, 2001, is the Feast of the Seven Sorrows of the Most Blessed Mary.
2. So many children are missing at the present time, that it seems necessary not to have First Holy Communion Class today - therefore, there will be no First Holy Communion Class today after the 10:00 A.M. Mass.
3. Please pray for our Sick and Shut-Ins in our Chapels, especially remembering Miriam Roy, Manny Gomez and Edward Peterson. Please pray fervently for the welfare of the little baby, Anne Patterson who is in need of the strongest prayer. Pray also for Albert and Barbara Patterson, the parents. They need much help and strength to bring them through their ordeal.
4. Let us each and every one re-examine our reason for attending the Traditional Roman Catholic Mass. Is it because of a preference of a ceremonial? Is it because of the quiet atmosphere found in a traditional chapel? Is it because we object to the circus noises and generally irreverent conduct found in the mainstream churches? Is it because we object to the architecture of the remodeled sanctuaries? Is it because we miss the presence of the Tabernacle? Is it because we miss the statues or the Communion Railing? Why do we choose to go to a Traditional Roman Catholic Church? and since we go to such a church are we willing to accept the Traditional Teachings of the Traditional Roman Catholic Church? Do we attend a Traditional Roman Catholic Church merely because of the pleasing ceremonial and the sounds of the Latin Language; or do we attend because of the BELIEFS which prevail in such Catholic surroundings? If we attend for reasons other than the Beliefs of Traditional Catholicism, then we are in the wrong place. If we attend because we accept IN FULL what the Holy Roman Catholic Church teaches, then all is well - - PROVIDED WE ACCEPT ALL AND NOT SIMPLY WHAT OUR BASIC OPINIONS TELL US IS RIGHT AND CORRECT FOR US TO ACCEPT? We must accept the FULL teaching of the Traditional Church - - the FULL FAITH - - of the Traditional Church, and this leaves no room for private preferences or opinions. Private and personal opinion simply cannot be placed over and above the official traditional MAGISTERIAL teaching of the Roman Church - the One, Holy, Catholic and Apostolic Church.

The final after shock of the explosive events of Eden, might well be that we have been snared by those who were placed over us to watch over us!

When "I AM" ordered Moses - "These are the Words which you shall speak unto the children of Israel", Moses received, as well, the authority to see to it that the Will of "I AM" was to be obeyed. At first Moses objected, alleging his weakness and slowness of speech - (Moses was a serious stammerer) - but God promised to be with him, and gave him Aaron, his brother, as spokesman. And so it was, Moses became the obedient instrument of Almighty God. Without hesitation, that is, after God's unquestionable power at work persuaded him of his abilities, Moses and his small family and Aaron set out for Egypt.

When Moses arrived, he, and his brother Aaron, spoke to the people of Israel. At first they did not believe, but after a show of some miracles, they came to believe and they adored "I AM". Not long after their arrival, Moses and Aaron visited the Pharaoh and, more or less, commanded him to let the Israelites go into the desert to sacrifice to the Lord God. But Pharaoh refused, and commanding, he oppressed the Israelites all the more. Their tasks were increased and working conditions made all the more intolerable. In his attempt to force the hand of the Pharaoh, Moses afflicted him and all of Egypt with a series - ten in number - of the most terrifying and horrible plagues. But the Pharaoh's heart remained as hard as ever. However, after the tenth plague, Moses got the needed permission for the Israelites to leave, and the great journey away from Egypt began!

To be continued.
