!! DISASTER !!

**Our help
is in the Name of the Lord,
Who made Heaven and
Earth!**

If we insist - - **which we have** - - on keeping matters in
our own hands - then, every reason for hope is lost!

When all hope is lost

then it is, that we find Disaster at every turn.

Only when we put matters properly **in the Hands of God,**

will we - **or can we** - have hope - and that feeling is wonderful!

We have all seen what **hatred and force and evil power have done,** and we have seen how easily
strong structures can crumble upon themselves and fall to utter destruction.

Buildings are merely symbolic.

Has not the structure of our once powerful, Holy, Catholic and Apostolic Church crumbled and
fallen in twisted shambles upon itself?

If our Church has crumbled, is it not reasonable to expect our world to have crumbled with it?

And, consequently,

What has happened to the soul of man???

To speak of the Divine to the man of today, **is futile!**

Few, indeed, there are, who continue to cling to the Hand of their Creator - - as for all the others - -
- **heaven only knows.**

Without a strong Church leading us, a Church able and willing to keep the soul of man firmly
tethered to the **DIVINE** - - - -

What can we expect!

**But we, at least, must not fear - - the Face of God will not turn away from those who love
Him.**

**Let us pray for all those who are suffering, and for those who died in this week's terrible
affairs.**

**Let us pray, also, for those who have been left behind by those who were crushed to death by
the rubbish of our world.**
