

All the neurosis of the modern world is the result of self pity!

Next Friday Is the Feast of the Most Sacred Heart of Jesus

1. Today we observe the Solemnity of the Feast of Corpus Christi - the greatest Gift that we have on earth - the Body of Jesus Christ. As always, the ceremonial will be beautiful and everyone will feel the beauty of the occasion. Let us not, however, get lost in ceremonial, and forget the ADORATION, AND THE REPARATION AND THE PRAISE which are the reason for the ceremonial. The ceremony is quickly over, and we all go back to our daily lives at home, however let us not fail to take home with us the warmth of that which we have seen and taken part in.
While the ceremony is in progress, just exactly what is it that we see with the eyes of our souls? Surely, not the ceremony only! The eyes of our souls must be fixed upon that tiny WHITE HOST that is carried by the priest - - - the beautiful ceremony is - should be - that which helps us bring into focus the Reason for it all. The eyes of our senses see the ceremony and this should cause the eyes of our souls, what the eyes of our souls are supposed to see: Jesus Christ.
Today, let us particularly, pray for Priests - ALL PRIESTS - it matters not who the priests are. If the man carries the name of priest, then, let us pray for him. If his beliefs are different from ours, that is not our concern - - that concern pertains to God, and God alone, Who does all the sifting of the kernels of the wheat. In every case, let us everyone remember the magnificent episode in Sacred Scripture, where Our Blessed Lord asked him who is without sin to cast the first stone!
2. There will be no mass at St. Pius V Chapel next Sunday. Please spread this word about. There will be mass next Sunday at Our Lady of Lourdes Chapel in Montgomery-
3. FRIDAY, JUNE 7, 2002 is, of course the First Friday of June, but this year it happens to be the Feast of the Most Sacred Heart of Jesus. The occasion is important and the time is important. Whatever the hope that is left to us on this earth can be reached ONLY by way of the Sacred Heart. The Heart of Jesus is open to us. He, our Lord, knows our needs and our anxieties and our fears. We need have no fear, and we need not be anxious, but we must set our feet upon a path (THE ONLY ONE AND SINGLE PATH) that walks us through the opening in the Heart of Jesus Christ. With the greatest care, let us prepare ourselves for this walk, and on that day of days, may we all have the tremendous grace needed to do what we know to do - - what we must do if we hope to survive the cataclysm that is under our feet and before our eyes - - what we must do if we hope to survive the attacks of the devil and save our SOULS. Let us not be too much concerned about the bombs - what man is doing to man! Rather let us be totally concerned about what the devil is doing to man!
4. Please remember the Sick and Shut-Ins of our Chapels, especially remembering Manny Gomez , and as well, remembering the welfare of Mother Angelica.
