4. Friday, June 27, 2003, is the wonderful Feast of the Sacred Heart of Jesus - THE WOUNDED HEART OF JESUS! Never before has the Sacred Heart of Jesus suffered such abuse, and never before has the promise of punishment been more pronounced (as by Our Lady in her Church-approved apparitions). The human race has sinned against, and trampled with its feet, the love bestowed upon it by the Sacred Heart of Jesus, to say nothing of the huge hatred that is daily showered upon His Presence in the Most Blessed Eucharist. Nowhere does order reign. Satan has reached the very highest places in our Church. He has succeeded in seducing the minds of the great men of our world. He has powerful nations under his empire. If mankind does not take steps to stop Satan, the wrath of God cannot be held back, and, as predicted, God will punish Man more severely than He did through means of the Flood. Souls are cast into hell because people do not pray and do penance, both of which are very effective means at our disposal to hold back the wrath of God. The achievement-minded people of the world laugh at such a probability, and consider those who take the matter seriously as victims of paranoia or religious fanaticism. Today's devotions relative to the Most Blessed Sacrament and Friday's devotions relative to the Sacred Heart are of the highest importance and significance, and if Jesus Christ cannot turn to those of us - wherever we may be - who claim to love Him, then to whom shall He go?
5. **Masses in the Abbey Church on the Feast of the Sacred Heart of Jesus will be at 6:00 AM and 8:00 AM.**
6. Please pray for all the Sick and Shut-Ins of our Chapels, especially remembering Manny Gomez and Richard Ploeckelman (who is gravely ill). **LET US ALSO PRAY FOR EVERYONE.** Let us pray for ALL the priests and religious men and women of the world. **NO MAN, WOMAN, OR CHILD SHOULD BE LEFT OUT OF OUR PRAYER.** God made all men to be with Him in heaven for all eternity, and this includes every human being on earth, regardless of station or condition or place. Weak human nature and erroneous persuasions will prevent some from achieving the purpose intended for them by God, but that matter remains entirely between all such and God. We must make no judgments concerning such matters. If there is any sifting to be done, it is to be done by God, Himself alone. We are **NOT** the ones to do the sifting.
