

1. There will be Catechism class after the 10:00 AM Mass this morning.
2. Tomorrow is Labor Day. May each and everyone enjoy a blessed and safe holiday! Let us all pray especially to St. Joseph, the model of all laborers, tomorrow, asking him to bless our labors and keep us safe from all harm.
3. Thursday, September 4, 2003, is the first Thursday of September, with the usual Holy Hours in the Abbey Church from 10:00 AM to 11:00 AM and from 3:30 PM to 4:30 PM.
4. Friday, September 5, 2003, and Saturday, September 6, 2003, is the First Friday and the First Saturday of September, with Masses in the Abbey Church on both days at 6:00 AM and 8:00 AM.
5. Next Sunday, September 7, 2003, is the first Sunday of September and therefore there will be no Mass in St. Pius V Chapel in Birmingham on that day. *Also, there will be no Catechism class next Sunday.*
6. Your very special prayers are requested for the welfare of Father John Quinn of St. Pius V Chapel in Lake Zurich, Illinois. Father Quinn is very sick. For ever so many years he has been a strong soldier for the Holy Catholic Faith, and for as many years he has suffered much because of his solid faith.
7. Please pray for all the Sick and Shut-Ins of our Chapels, especially remembering Manny Gomez and Joanie Christen. **LET US ALSO PRAY FOR EVERYONE.** Let us pray for ALL the priests and religious men and women of the world. **NO MAN, WOMAN, OR CHILD SHOULD BE LEFT OUT OF OUR PRAYER.** God made all men to be with Him in heaven for all eternity, and this includes every human being on earth, regardless of station or condition or place. Weak human nature and erroneous persuasions will prevent some from achieving the purpose intended for them by God, but that matter remains entirely between all such and God. We must make no judgments concerning such matters. If there is any sifting to be done, it is to be done by God, Himself alone. We are **NOT** the ones to do the sifting.

*In the present state of affairs in the so-called
Catholic Traditionalist World,
Ecclesiastical Law (Canon Law) is deprived of all
executive power, and now merely has directive value only –
it is only normative –*

*which means that Canon Law, as it now stands,
can only suggest what one should do –
it does not have the force of binding law.*

*Therefore, no one is qualified with absolute certitude –
which is to say, without assuming the authority of governance,
either to interpret the application of Canon Law,
or to pronounce judgment on the actions of anyone according to that law!*
