PATRONAL FEAST OF CHRIST THE KING ABBEY

Next Sunday, October 26, 2003, is the glorious Feast of Christ the King.

The Kingship of Christ on earth is the focal point of all the activity that takes place on this earth. There are those who do not accept His Kingship or even acknowledge His Presence.

This has to remain the principal problem in the lives of all such. If all such refuse to accept subjection to that Kingship, then they will, **EVERYONE OF THEM**, have to accept subjection to the reign of him who actually rules in their hearts and minds and souls.

To those who do accept the Kingship of Christ, few though they may be, the suffering that this acceptance imposes on them will redound to something that stands above and beyond anything that mere words can speak of. We here have reference to the cataclysmic difference between that which pertains to the spirit and that which pertains to the flesh.
