

to those who have chosen to be non-believers, every word found on these pages will seem to be but gibberish and the nonsense of nostalgic minds. Modern man is not concerned about such matters. The modern mind is concerned about matters of real importance – like the making of money!

Our instructions and directives are leading up to the formation of small Home Chapels, a subject we have talked about for quite some time. Our instructions are intended for the welfare of those whose will is good – for those souls who are related to those humble and true children of God, the poor shepherds who went with haste, in the darkness of a cold night, to see That which they had been told to go and see. For them it mattered not that the heavenly messengers directed them to the wretched conditions of a dirty animal shelter. For them it mattered not that they were led to a poor stable and not to a gilded palace. They went, they entered, they looked, they SAW, and they believed – immediately. They believed, they adored, and they were blessed with a gift of inestimable value. The same can be said for all those of us who have to live in the darkness of an unreliable church, in the darkness of no available reliable priests, in the darkness of no Mass or Sacraments, especially Confession and Holy Communion. When the message is given, let us go with haste to the place indicated, even if it be a spot in our own homes, or a small shelf in the corner of our bed room or nursing home, and let us also enter in, and let us look and let us SEE, just as the shepherds did, and let us behold That which is of inestimable value. God knows all, and God will provide. By holding fast to our holy Faith, we, no matter how wretched our condition, will not let the evil wind blow out the light in our lives. In the process of it all we will save our immortal souls, and that to the greater honor and glory of our good and all-providing God! *(To be continued)*

1. There will be Catechism class after the 10:00 AM Mass this morning.
2. Monday, October 18, 2004, is the Feast of St. Luke the Evangelist.
3. During the Month of October, the Holy Rosary is said publicly each evening at 8:10 PM. We realize that most people cannot attend, in which case everyone is urged to take time out to say the Holy Rosary at home.
4. The Holy Souls envelopes are now available. Please fill them out and return them no later than November 1.
5. **N.B.**: Sunday, October 31, 2004, the Feast of Christ the King (the last Sunday of October), is the end of Daylight Saving Time. **Remember to turn your clocks BACK one hour.**
6. Sunday, October 31, 2004, is also the Feast of Christ the King and is the Patronal Feast of our Abbey. We ask the special prayers of everyone. The daily work of our Abbey of Christ the King is to give daily honor to Christ as King of the world. Little does the world care about this, so we do what we can to make up for what is not rendered unto our most Blessed Lord. You are in our prayers.
7. The Monks of Christ the King Abbey and the Nuns of St. Joseph's Monastery are most grateful to everyone who had a part in making last Sunday such a wonderful and holy day in honor of Our Lady. Thank you one and all and may God bless each of you in a special way.
8. Please pray for all the Sick and Shut-ins of our Chapels, especially remembering Diane Calandra (our Frater Joseph's mother). **LET US ALSO PRAY FOR EVERYONE.** Let us pray for ALL the priests and religious men and women of the world. **NO MAN, WOMAN, OR CHILD SHOULD BE LEFT OUT OF OUR PRAYER.** God made all men to be with Him in heaven for all eternity, and this includes every human being on earth, regardless of station or condition or place. Weak human nature and erroneous persuasions will prevent some from achieving the purpose intended for them by God, but that matter remains entirely between all such and God. We must make no judgments concerning such matters. If there is any sifting to be done, it is to be done by God, Himself alone. **We are NOT** the ones to do the sifting.
